## Dulce De Leche has arrived

San Ignacio S.A and Building Bridges Ltd are pleased to announce that they have appointed Call Caterlink Ltd as their sole distribution agent for the UK ice cream sector.

### What is Dulce De Leche?

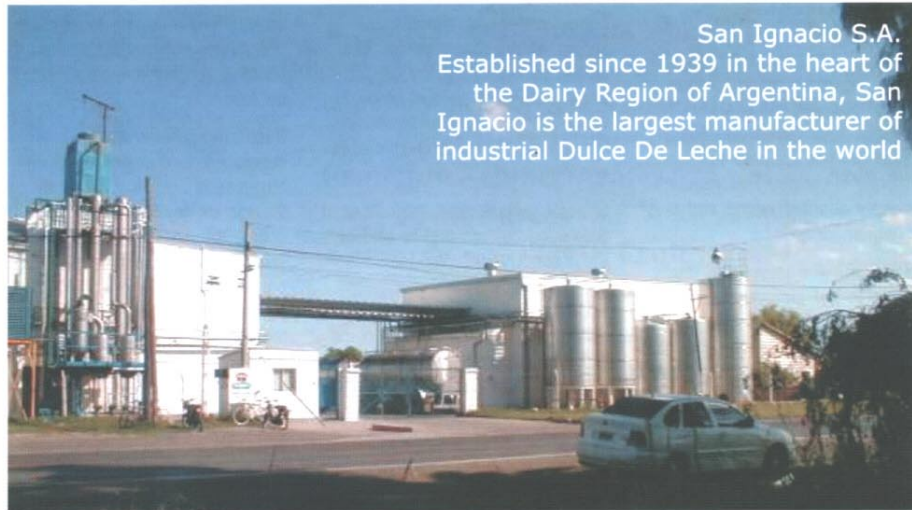

Dulce De Leche is the traditional Argentine sweet spread, made from the purest full fat milk from cows grazing the Argentine pampas and cane sugar. Argentine milk has a higher content of omega fatty acids

market: toffees, fudges, caramels - none of them can match Dulce De Leche's unique flavour and taste sensation.

### San Ignacio S.A.

Established since 1939 in the heart of the Dairy Region of Argentina, San Ignacio is the largest manufacturer of industrial Dulce De Leche in the world. The company currently produces 12,000 tons of Dulce De Leche a year, including tailor-made formulas supplied to

suitable for rippling is also available in these pack sizes as is Dulce De Leche for desserts and baking. Full technical support and recipes are available on request.

essential for normal growth and it has a silky smooth texture and an indulgent mouth watering taste that appeals to the sweet tooth of all ages yet has only 5.9g of fat per 100 compared to an average of 37g in chocolate. There are several similar products on the

companies like Nestlé, Danone, Wal Mart etc.

### Dulce De Leche for ice cream

A concentrated formula has been developed suitable for mixing in the ice cream base. This is available in 1Kg or 10Kg cans. The classic Dulce De Leche, which is
